JURNAL PEMBERDAYAAN MASYARAKAT

Media Pemikiran dan Dakwah Pembangunan

Jurnal Pemberdayaan Masyarakat: Media Pemikiran dan Dakwah Pembangunan is an academic journal, published by Islamic Community Development of Departemen, Faculty of Da'wah and Communication, Sunan Kalijaga State Islamic University Yogyakarta since 2017, cooperation with Perkumpulan Pengembangan Masyarakat Islam (P2MI) and Asosiasi Pembangunan Sosial Indonesia (APSI). Jurnal Pemberdayaan Masyarakat always places empowerment studies in the central focus on academic inquiry and invites any comprehensive observation of multidiscipline studies. This journal, serving as a forum for the study of community development in Indonesia and other parts of the world within its local and challenging global context, supports focused studies of a particular theme and interdisciplinary studies. The subject covers textual and fieldwork studies with a perspective on social development.

Thus, Indonesian and non-Indonesian scholars have enriched the studies published in the journal. Although not from the beginning Jurnal Pemberdayaan Masyarakat presents highly qualified scholarly articles, improvement—in terms format, style, and academic quality—never ceases. Although the main language used in writing the article is Indonesian, there is a possibility to publish the articles in English. With the fair procedure of peer-review, Jurnal Pemberdayaan Masyarakat continues publishing researches and studies pertinent to empowerment studies with various dimensions and approaches.

Jurnal Pemberdayaan Masyarakat, published biannually in May and November, as the journal of the study of empowerment studies. Contains the writings that summarized the results of research and conceptual thinking in the field of community development. The publication is provided in two versions: print and electronic. The Print version is sold at a certain price. For purchasing and subscription details, contact the Editorial and Distribution Jl. Marsda Adisucipto Yogyakarta, phone number 081392572447. For an electronic version (PDF) can be accessed in an open and free without a subscription. This open-access is expected to improve readability and enhance the award-winning author citation.
