

## Focus and Scope

Jurnal Pemberdayaan Masyarakat: Media Pemikiran dan Dakwah Pembangunan or called JPMI is the peer-reviewed journal of the community development studies. Jurnal Pemberdayaan Masyarakat is devoted to improving knowledge and practice in the field of purposive community change. The mission of the journal is to advance critical theory, research, and practice in all domains of community development, including religious & eco-tourism, social development & policy, socio-culture & environmental sustainability, and Is-

lamic philanthropy.

The journal welcomes manuscripts that report research; evaluate theory, methods, and techniques; examine community problems; or critically analyze the profession itself. Articles may address current issues including the environment and sustainability; religious tourism tradition; poverty; race, ethnicity and gender; participation and social justice; economic development; housing; philanthropy; and other important topics impacting the field.
