

AUTHOR GUIDELINE

Some notes to consider before submitting a paper:

- The article submitted to Kalijaga Journal of Communication should reflect a specific focus of study related to communication and should be based on research: library, fieldwork, or other kinds of researches.
- The article should present an argument/thesis/finding which contributes to the development of communication studies which is presented clearly in abstract, content, and conclusion.
- The article could be written in bahasa Indonesia or in English: academically, grammatically good.
- The article is about 4.000-10.000 characters length.
- A 100-150 words of abstract is provided in both bahasa Indonesia and English along with 3-5 keywords.
- The author should provide references (primary and secondary, quoted from academic books, recent journal articles, and other reliable manuscripts) formatted according to the Turabian full note style of citation.
