INTRODUCTION

For long time, Indonesian moslem used Al Qur'an, Hadist, Ijma, and Qiyas being foundation for madrasah's curriculum and researches. Because of it, moslem research products had many cons from Isaiah. The reason is Isaiah and Moslem has different foundation. Isaiah from Europe, America, Australia, Africa, East Asia, South East Asia, and South Asia used Taurat, Zabur, Injil, and Statuta Roma. The other hand, Moslem used Al Qur'an, Hadist, Ijma, and Qiyas. If we read tafsir (interpretation of Al Quran) about QS Ali Imran 3 – 4, QS An Nisa 136, QS Al Maidah 46, 48, 68, QS Ar A'raf 170, we can understood that all ahli kitab must used Taurat, Injil, and Al Qur'an for being law and foundation of human life. So I think this research very important to make religious education based on Taurat, Zabur, Injil, Al Qur'an, and Hadist for Isaiah and Moslem, in order to build tolerance beetween them because this two biggest religions that had the same background that are from Prophet Ibrahim A.S's family. if we read QS Al Maidah 68 we know why world had three biggest Imam (Father Rabi, Paus, Imam Makkah). The benefit of this research is the theory for a new curriculum based on all holy books, so we can support Dakwah Islamiyah dan improve the human economic especially the moslem economic.

METHOD

This research begin on April 2019 until April 2020 at Semarang Central Java Indonesia. The first data is primary data from Interview by social media Father Rabi Sefaria, Father Paus Fransiscus, and Father Imam Makkah "Imam Saud AlShuraim, Imam Asalmy, Imam Alafasy, Imam Faisal Alqasimi Moheb. The second data is secondary data from all holy books: Taurat Sefaria, Zabur, Injil, Al Kitab, Injil Barnabas, Al Qur'an and Hadith. All data is analized with Descriptive Qualitative.

RESULTS

This research is very important for us to revise religious educational concept for moslem. This concept will make moslem's knowledge and products can be accepted around the world especially in Isaiah and Moslem countries. The revision concept of religious educational can be seen at Table 1.

From Table 1, from all holy books we can get complete picture of knowledge and we can read Allah messages deeper, why Allah hate and love something. Allah said at QS An Nisa 146 that He sent Al Qur'an to complete the previous holly books, Taurat, Zabur, Injil and to be a focus of Allah's real messages (Ma'arif, 2022). There are different knowledge if we only use Al Qur'an, and Hadist and if we use all holy books.

1. Moslem had many disruption and cons before. While "Tauhid" is delivered with this verse: "Allah the only one God around the world", most Isaiah said their God is Jesus. Actually, it can be delivered as Isaiah and Moslem only had one God. Trilogy concept from Isaiah is concept that talk about where Jesus / Prophet Isa come from. Trinity explains the same as QS Maryam 19 that Allah gives a job to Jibril "Ruhul qudus" to give a son for Maryam (studibiblika, 2022)(Study Biblika, 2022).
2. For a long time, all student is got the wrong theories of human origins. The theory is interpreted that human origin come from monkey evolution. All holy books said the first human that lived on earth is Prophet Adam A.S. and inhabitants of the earth are Prophet Adam A.S.' grandchildren. Monkey evolution, and Pig evolution gene (Asbabun Nuzul QS Al Baqoroh 76) said monkey and pig evolution come from people that get punishment at sabbath day. The revision of theories of human origins is the first human is Prophet Adam A.S and monkey and pig evolution are people that made mistake at sabbath day.
3. The Eden of the east, "Hawila" is a paradise land that built for Prophet Adam A.S and Hawa/Eve. There are some research about Hawila. The author of "The Eden Of The East", Prof Oppenheimer have an opinion that the location of The Eden of The East is Indonesia. This is different form all holy books said. Allah spoke at Genesis 2 : 10 – 16 that Hawila had four river: Pison, Gihon, Euftrat, and Tigris.

and at Figure 11, Hawila is in Saudi Arabia. Based on this data, the first live on the earth is begun in Saudi Arabia and ended in Saudi Arabia too like Prophet Adam A.S until Prophet Muhammad SAW.

4. The historical of Prophet Ibrahim A.S family has a missing knowledge. For a long time, Prophet Ibrahim A.S is notified that he had two wives: Sara, and Hajar. Both of them had Prophet Ishaq A.S and Prophet Ismail A.S. Prophet Ishaq A.S and Prophet Ismail A.S are being leaders for two biggest religion, Isaiah and Moslem. From all holy books, Prophet Ibrahim A.S had a four wife they are Sara, Hajar, Ketura, and Hajun. Sara mother of Europa, Hajar mother of Arabian, Ketura mother of East and South East Asia and Hajun mother for South and Southeast Asia.
5. Faith of Iman and syaria law had a missing knowledge. For long time, moslem used syaria law based on Al Qur'an, and Hadith but moslems always have interacted with Isaiah, so I propose to revise syaria law that used all holy books. It is said in QS Al Maidah 48 and 68.
6. I propose to revise the concept about trees family of Prophet Ibrahim A.S in our curriculum. If we only use Al Qur'an, and Hadith, we only know about Qabil and Habil. After Qabil is killed by Habil, there is not information about Prophet Idris A.S, is he the son of Qabil?. From all holy books, there is information if all of Prophet come from Prophet Syith (Pujianto, 2020).
7. Economy Syariah concepts that Al Qur'an, and Hadith said moslem must used Dinar and Dirham being money because they had stable value, so we are not worry about exchange rate "value" and inflation. All holy books also suggest the same thing. From this fact, we can force Isaiah to use "Dinar and Dirham" for transaction too, so all of product will had the same price around the world and we never think about inflation because money that majority "Isaiah and Moslem used" had the same value for now and the future.
8. We must revise a knowledge about halal and haram food. For long time, moslem eat duck and camel, although Al Quran QS Al An'am : 146 said if both of them is haram. All holy books also said the same thing.
9. QS Al Maidah 68 said ahli kitab must used Taurat, Injil, Al Qur'an being law because Allah wants to make the one all World Imam for grandchildren of Prophet Ibrahim A.S: Rabi, Imam Taurat and Zabur; Paus, Imam Injil: Imam Makkah, and Imam Al Qur'an.
10. Injil Barnabas page 117 – 120 about last prophet Muhammad SAW.

CONCLUSION

Conclusion for this research is Moslem would be better at Dakwah and Education if used all holy books i.e.: Taurat, Zabur, Injil, and Al Qur'an. Because if we used all holy books Isaiah jamaah and Isaiah leader must accepted our product of knowledge and research. To make this research stronger, The advanced research about educational curriculum every subject knowledge has been done and it started from

Biology and Sustainable human genetic of grandchild of Prophet Ibrahim A.S from Sara, Hajar, Ketura, Hajarun, Sustainable human genetic Iskandar Dzulkar-

naen, Sustainable human genetic Imam Al Mahdi and Prophet Isa A.S and Syaria Law based on Taurat, Zabur, Injil, Al Qur'an, and hadith.
