Aims: Golden Age: Jurnal Tumbuh Kembang Anak Usia Dini aims to provide a forum for consideration of issues and for the exchange of information and ideas on research and practice in the field of early childhood education, especially in Muslim society. Scope: Golden Age: Jurnal Ilmiah Tumbuh Kembang Anak Usia Dini features original research in early childhood education, especially in Muslim society from around the world. With this as its main focus, it should be emphasized that the definition of education contains parenting and its multidisciplinary approach, covering all related fields, including Islamic religion, gender, psychology, sociology, child's health and social work.
